Record Id: 8842917

Form Created By: James Whitmore on 09/01/2026; Form Owned By: startupup

As a non-U.S. company with ordinary or common shares or limited partnership listed on the Nasdaq market, your company's annual fee is based on the number of shares issued and outstanding in the United States. In that regard, in order to facilitate proper billing, please complete the form below, providing us with the number of shares your company has issued and outstanding in the United States. This number will be used for the annual invoice that will be mailed to your company in January 2026.

If we do not receive a response from you by 12/31/2025, your invoice will be based on the total shares outstanding reported in your most recent periodic report, unless Nasdaq has other, more recent, information.
